

Task 1

In the square of the village there is a graphical fountain with some art on it? What is the name of the fruits that there are on it (not real but sculpted one)? Can you find the history that is behind this fountain? Some villagers may help you. Take a photo of the group in the fountain with all your group with name TASK 1.

Yes, there is a graphical fountain with the set of grapes. The story behind the fountain is that it was the main and only source of water lots of years ago for the whole village.

Task 2

Near our venue there is a small church with a big hagiography of the Virgin Mary embracing us. Can you find it? What is the name of the church? We need one photo of the group from the garden in the yard of the church with the name TASK 2.

Penayia Akonopetra – that's the name of the church.

**Task 3**

There is a point of view in the village. Where is it? Can you find it? Go there and take a photo of the view from this point (TASK 3 the name of the photo).

Panorama View is a point of view in the village. We have found it, and took a group photo.

Task 4

We are staying in a lovely hotel but there is one hotel which is in the top of the hill? What's the name of that hotel? Can you visit it to see the view from there? Can we have a photo of the hotel named TASK 4?

“Hill view” is a name of this lovely hotel, which is on the top of a hill. We visited it and took a photo.

**Task 5**

Also, Pissouri is growing and there are a lot of restaurants. In Pissouri square there is a restaurant named VRACAS. What that means? How this restaurant relies on the history and traditions of Cyprus? What is the name of the owner of the restaurant? It will be plus if you have a photo with the owner of this restaurant in Pissouri square with all of your group (Task 5).

VRACAS has an interesting story behind, “Vraca” is a a kind of traditional trousers for men. Thus, VRACAS is a person who wears “vraca”. This is how the restaurant relies on the history of Cyprus.

The name of the owner of the restaurant is HARIS.

We have already taken a group photo with him.

Tasks 6

What is the main church of the village? Can you find it? (there are a lot of churches and small churches in the village but we want the main one. A photo of the group in the church is a must for our tasks (Task 6)

We have managed to take a photo with the main Church at the beginning of our walking trip. The photo is enclosed. This is a Church of Apostle Andreas.

Task 7

In the square there is a traditional coffee shop where you can find a lot of villagers discussing for different themes. What the name of the owner of the shop?

Filippos (Philippos) – is a name of the owner of a coffee shop, the place where all the locals have discussions.

Task 8

Communal Amphitheater of Pissouri is a new amphitheater with old designing (coming from ancient theaters); find it and find the place that you can talk and hear you in all over the place. A photo of this place with your group or a member of the group on it will be your task 8

Have found and took photos, we have experienced the effect of the “microphone”.

**Task 9**

Each village has a community council and community council's offices. Find the offices of the village community council and learn which is the name of the president of the community council. If you are lucky maybe you will also find the president to have a photo with him as a group (Task 9)

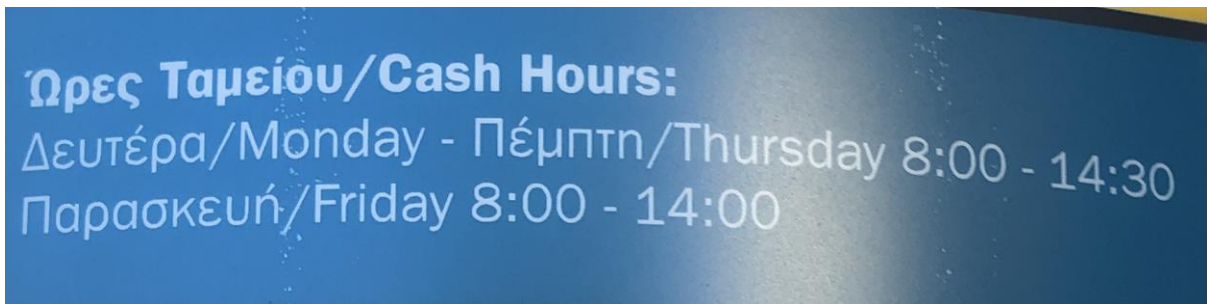

The name of the President of the community Council's offices is a Lazaros Lazarou.

We were not so lucky to meet him, but we tricky enough to receive one more point from a jury !!!!!. Please, have a look on a photo enclosed.

Task 10

There is one bank in the village, is the village bank open daily? If not opening daily which days is opened and what hours?

Task 11

Pissouri last 40 years started to be a touristic place and in Pissouri there is an Inn and restaurant which it was the first that opened and is opened from the beginning of the touristic period in Pissouri without stopping period. Is this restaurant open today? What is the name of the restaurant? Can we have a photo of your group in the gardens of the restaurant? Task 11 has to be the name of the photo.

This restaurant is called the "BUNCH of GRAPES". The photo is enclosed. The garden is perfect, and the staff is attentive (e have checked). It starts working at 17:30. March is an opening of a tourism season.

Task 12

In the village there is a cultural center with a marvelous café in it and a panoramic view (maybe not in the center but somewhere in the edge of the village). What is the name of the café? Do you know what that means? You have to find where it is and have a photo of the place to prove it (Task 12) that your group was there.

Panorama Lounge (means panoramic view). The photo is in the file.

Task 13

Can you discover which is the most popular food in Cyprus and in Pissouri? Is there any restaurant which is specialized in this food? Which restaurant is the favorite place for Cypriot habitats of Pissouri?

Halloumi is probably Cyprus' most famous product, but **moussaka is the most favorite dish**. There are many restaurants that are specializing in traditional food. Among them are Taverna of two brothers, Bunch of grapes, O Vracas Taverna.

Task 14

In Pissouri square there are 2 Monuments in the village. Can you also find the reason of the monuments? Where is it? Who was it and what he has done so to have a monument in Pissouri village?

There are two monuments: Revolution of 1931 (Octobriana Monument) and Neoklis Antoniadis Monument

Task 15

Is there a hospital in the village? Or doctor? Can you learn about the situation of health care in Cyprus? Is there any office that we can work on it?

There is no active medical Centre in Pissouri. If something happens, it is necessary to go to the 3 other destinations:

Paphos General Hospital (+357)25803100

Limassol General Hospital (+357)25 801 100

Nicosia General Hospital (+357) 22 801 400

Now, we we really lucky to figure out all these numbers!)

Task 16

What is the most popular fruit of the village? Can you find some of these fruits for photo? (Task 16)

The grape is the most popular fruit in the village.
